

Year 10 – Girls Empowerment Event – Wednesday 16th and Wednesday 17th December

Dear Parents / Carers,

We are running a girls empowerment event on Wednesday 16th and Thursday 17th December. We have selected 12 year 10 girls to take part in the event.

The first session on Wednesday 16th will run from P1-P4 and will take place at the SC. This session will focus on female role models and allow lots of discussion around the girls' plans for the future.

The second session on Thursday 17th and will take place at the OM. For this session we have been very fortunate to be invited to join an online event being run by the Diocese of Lichfield from 1-3pm, this session will be run over ZOOM.

The event is the launch of a Girls' Empowerment Project being run throughout their schools and features talks by Fiona Shaw CBE (Killing Eve, Harry Potter), Denise Lewis OBE, Her Honour Judge Carole Burgher, and Ayo Awotona who is a renowned international speaker specialising in confidence building for young women.

If you do not wish for your daughter to take part in this event, and not appear on ZOOM, please email me at vwallington@heyfordparkfreeschool.org

Yours sincerely,

Vicky Wallington
Deputy Head teacher
