

Date: 26.03.2021

Dear Parents/carers,

We are writing to let you know that we will continue with asymptomatic testing for both children and staff over Easter.

Your son/daughter will be provided with more test kits on Monday and Tuesday next week. These will be handed out during registration at the Officers Mess site.

Your child will receive their testing kits on:

Day	Year Group
Monday 29 th March	7, 9 & 11
Tuesday 30 th March	8 & 10

Your son/daughter will be provided with 6 tests. Tests should continue to be carried out on a Sunday and Wednesday over the Easter break,

Sunday 4th April
Wednesday 7th April
Sunday 11th April
Wednesday 14th April
Sunday 18th March

Reporting results

It is really important that results of test are reported online straight away, even if your child's result is negative or void. It's easy to do at www.gov.uk/report-covid19-result.

Results can also be reported via telephone by calling 119 (free from mobiles and landlines). Lines are open every day, 7am to 11pm.

It is important to keep a note of your child's results and share with school, if your child's test records a positive result.

You only need to report positive cases to the school by emailing: office@heyfordparkfreeschool.org

Testing for parents, households and bubbles twice a week

A reminder that regular rapid testing is now also available for parents, their households and support or childcare bubbles. The government is encouraging all families to participate in twice weekly testing to help stop the spread.

Parents and other adults in the household can access tests by:

- Ordering tests online www.gov.uk/order-school-household-tests
- Getting an assisted test at work, if it is available
- Attending a test site to get tested (where you will be able to see how to take the test) or pick up tests to do at home.

To find out more on school household testing visit [Households and bubbles of pupils, students and staff of schools and colleges: get rapid lateral flow tests - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/households-and-bubbles-of-pupils-students-and-staff-of-schools-and-colleges-get-rapid-lateral-flow-tests)

We continue to encourage everyone to take part in regular Covid-19 testing.

Yours faithfully,

Mr Nicholson
Head of Secondary
